Lean Six Sigma Yellow Belts

Congratulations to the first class of over 40 BCPS employees certified as Lean Six Sigma Yellow Belts! Participants included teachers, staff members, administrators, and a School Board member – all dedicated to mastering this proven framework for process improvement and operational efficiency.

They completed an intensive two-day boot camp facilitated by Dr. Posner, applied various problem-solving tools hands-on, and then had to pass a comprehensive exam. *Stay tuned for future Lean Six Sigma White and Yellow Belt Workshops!*
