SIM Ambassador Spotlight

Kudos to the leadership of Dr. Nicole Mancini, Director of Elementary Learning, and her entire team, for the outstanding retreat they held to kick off the new school year! Below are some artifacts of their creative activities to set goals and metrics aligned to the 2024 Strategic Plan.

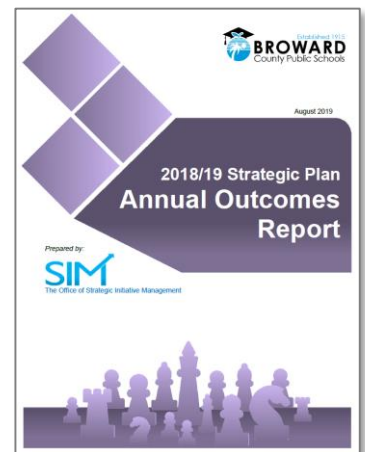

On a Mission? Got Goals?

If you would like a member of the SIM Team to facilitate a Planning Retreat for your school or department, email us your request at sim@browardschools.com. Sessions are typically 2-3 hours, and can include: teambuilding; 2024 Strategic Plan overview; best practices in project management; and development of a mission statement, core values, or goals. We will customize the deliverables for your needs!

2018-19 Annual Outcomes Report
