SIM is proud to announce that we are now on **Facebook and Twitter!** We will use these platforms as additional ways to engage with our stakeholders, promote our new 2024 Strategic Plan, and highlight the great work underway to achieve our District's goals.

To celebrate this launch, we are holding a District-wide contest. First, **follow us** on one or both of our new social media channels. Then **upload photos** of the **2024 Strategic Plan poster on display** in your office or classroom, to our SIM Facebook page or Twitter feed (or both). You will then be entered into a drawing for a chance to win **free prizes!**

Contest deadline is **November 15th, 2019**. See example photos below.
