SUBJECT: **2021-2022 STATEWIDE ASSESSMENT RESULTS**

On Tuesday, June 28, 2022, the Florida Department of Education (FDOE) released the official Spring 2021-2022 Florida Standards Assessments (FSA) results for:

- English Language Arts (ELA) Florida Standards Assessments (FSA), grades 4 to 10;
- Mathematics Florida Standards Assessments (FSA), grades 3 to 8; and
- End-of-Course (EOC) Assessments (Algebra 1, Geometry).

This memorandum summarizes the results at the state and district levels. Individual student level and results have been provided to each school through data folder access. Additionally, scores are available to parents through the *Virtual Counselor* application at sso.browardschools.com. Internal dashboards (bit.ly/BCPSdashboards) on State Exams (bit.ly/BCPSsa), FSA/EOC Sub-scores (bit.ly/BCPSfsa) and other topics will be updated this week.

These scores provide teachers, principals, instructional support personnel and the community with an achievement baseline to make decisions in supporting grade level instruction and gauge student growth.

The 2021-2022 results show that in 11 out of the 16 (69%) tested areas the percentage of Broward's students scoring at or above achievement level 3 met or exceeded the state average (**indicated in bold below**).
