**SUBJECT: 2025 PM1 FAST ASSESSMENT RESULTS**

The Florida Department of Education (FLDOE) Florida Assessment of Student Thinking (FAST) Progress Monitoring (PM)1 assessment window closed Friday, September 27, 2024.

**Grades 3-10 FAST Overview**

- Grades 3–10 FAST English Language Arts (ELA) Reading and grades 3–8 FAST Mathematics assessments are aligned to the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards.
- FAST assessments are computer adaptive. Each item a student receives will be selected to meet blueprint requirements and will adjust item difficulty levels based on how the student responds.
- FAST assessments are administered three times during each school year: once at the beginning of the year (PM1), once in the middle of the year (PM2), and once at the end of the year (PM3).
- Each PM event is tied to a blueprint for the **full grade-level content**. The ELA and Mathematics blueprints show how many items in each reporting category students will encounter during each PM window.
- Here are descriptions of each PM opportunity for students:
  - **PM1 – because this administration occurs at the very beginning of the school year, it is designed to provide a baseline score so teachers can track student progress in learning the B.E.S.T. Standards from PM1 to PM2.**
  - PM2 – by the time of this administration window, students will have had an opportunity to learn the grade-level standards, and this administration will provide a mid-year score to compare to the baseline score from PM1.
  - PM3 – this last administration will provide a summative score that will accurately measure student mastery of the B.E.S.T. Standards at the end of the school year. While PM1 and PM2 are for informational purposes only, PM3 is used for school accountability.

**Assessment results for 2024-2025 FAST PM1 indicate Broward's students increased or remained the same in every grade level and subject area compared to the 2023-2024 FAST PM1 results.** The results are available for:

- FAST ELA Grades 3 to 10
- FAST Mathematics Grades 3 to 8.

This memorandum summarizes the results at the district level. Individual student-level results are available to each school through the Florida Reporting System. Additionally, parents can receive scores through the state's Family portal via Broward's parent portal application at <https://www.browardschools.com/focus>.

Here are the key highlights from the 2024-2025 assessment results for the percentage of Broward County Public School (BCPS) students meeting or exceeding on-grade level performance (Achievement Level 3 or Above):

- **FAST PM1 ELA performance** improved across grades 4-10 compared to the prior year.
  - **Notable increases:** Grades 4, 6, 7, and 8 showed a significant improvement, increasing by **5 percentage points**.
- **FAST PM1 Mathematics** performance improved across all grade levels (grades 3-8) compared to the previous year.
  - **Notable gains:** Grades 6 and 7 showed an impressive growth of **5 or more percentage points**.

Below are tables of test results by subject area and grade level comparing 2023-2024 PM1 to 2024-2025 PM1 results for Broward which includes charter schools (Tables 1 and 2) and results not including charter schools (Tables 3 and 4 and Figures 1 and 2). Figures 3 and 4 show results not including charter schools by subgroup including race/ethnicity, English Language Learners (ELL), and Students with Disabilities (SWD). The tables and figures show Broward increased or remained the same compared to prior year in every grade level and subject.

**Table 1.** FAST PM1 ELA Assessment Results for Broward including Charter Schools, 2023-2024 & 2024-2025

Grade	2023-2024 PM1	2024-2025 PM1	Change	2023-2024 PM3
	Percentage Level 3 or Above	Percentage Level 3 or Above		Percentage Level 3 or above
03	26	26	0	57
04	29	34	+5	57
05	33	34	+1	60
06	42	47	+5	57
07	36	41	+5	54
08	35	40	+5	52
