The National Child  
Traumatic Stress Network

# Sponsoring Organizations

**National Mass Violence Victimization Resource Center**  
National Crime Victims Research and Treatment Center,  
Program on Adolescent Traumatic Stress (PATs)  
Center for Addressing Health Disparities among Trauma-Exposed Youth

# Multidisciplinary Curriculum Areas

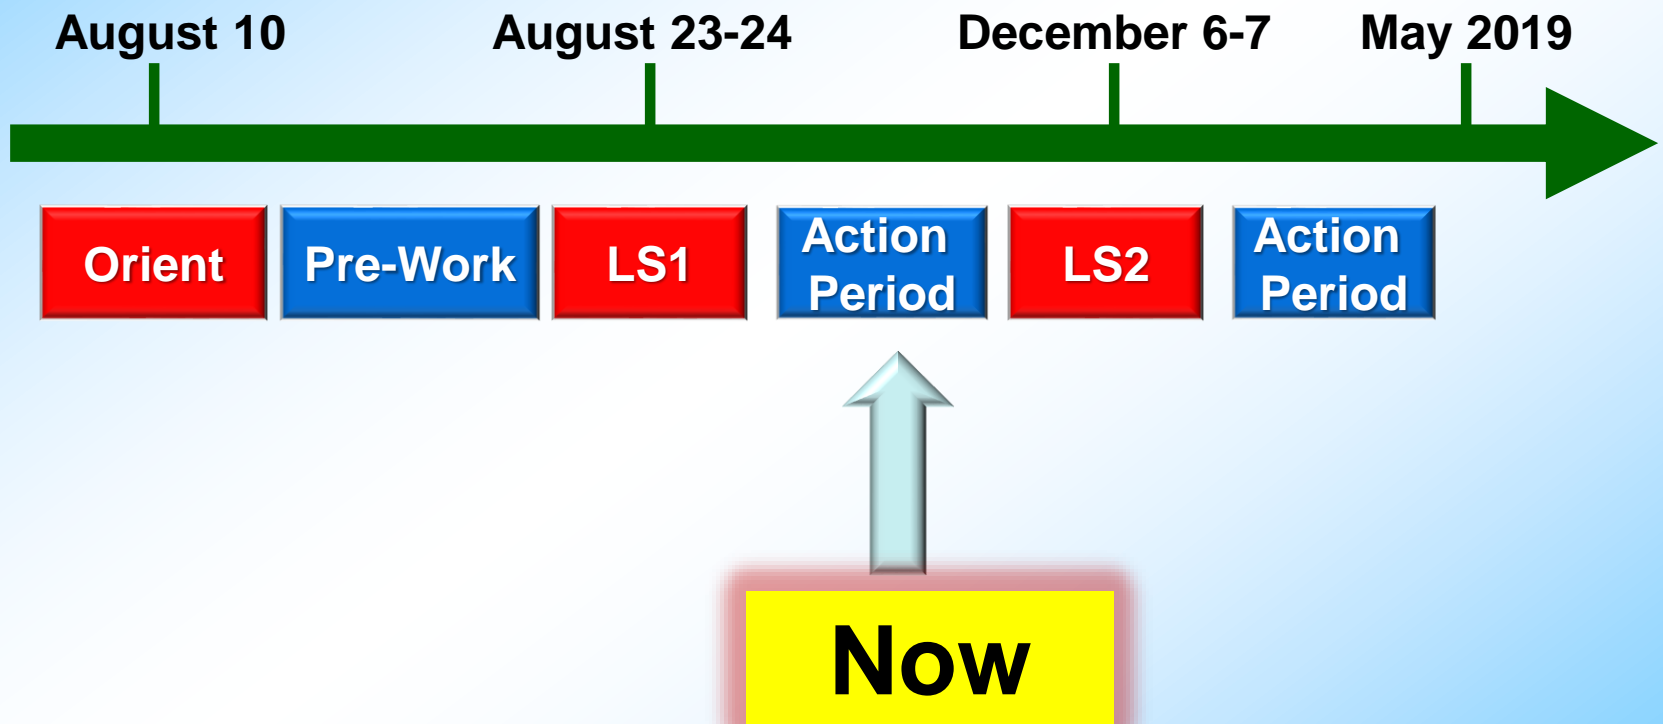

# Goals

- ▶ Implement and use TF-CBT with students in Broward County Public Schools
- ▶ Ensure that children, youth and their families who need TF-CBT receive it
- ▶ Identify and overcome barriers to youth engaging in and completing TF-CBT
- ▶ Promote trauma-informed schools
- ▶ Monitor progress in achieving these goals, and
- ▶ Sustain the use of TF-CBT over time after the learning collaborative is completed.

# Broward County Public Schools CBLC Timeline

# Benefits of Participation

- Intensive training and case consultation from nationally approved trainers
- Clinicians become highly clinically trained in the use of the most well-supported treatment approach for traumatized children and their families, TF-CBT.
- Brokers become highly trained in understanding TF-CBT, trauma screening and referral criteria
- Emphasis on building collaboration to enhance outcomes for children and teens
- Clinicians will meet nearly all training and consultation call requirements for national certification in TF-CBT.

# TF-CBT National Certification

- ▶ 2 day in-person training by approved national trainer
- ▶ At least 9 of 12 consultation calls
- ▶ At least 3 completed cases with full protocol, including pre and post assessment
- ▶ Involvement of caregiver
- ▶ Knowledge Quiz – 80%
- ▶ \$250 for 5 years
