

ESSA (Every Student Succeeds Act) Subgroup Data

ESSA Subgroup data for individual schools can be found at: <https://edudata.fldoe.org> Click on School Report Cards, enter the district name and chose the school from the drop-down menu. Click on the blue “details” button in the School Performance section and the FPPI subgroup data is listed.

Calculation of FPPI (Federal Percent of Points Index)

A school’s Federal Index is determined by summing the points earned for each component and dividing this sum by the total number of available points for all components with sufficient data. The percentage resulting from this calculation will be expressed as a whole number and will be the school’s Federal Index. Existing components used in Florida’s school grading system are aligned to the associated required federal indicators as shown in the table below.
