

# BROWARD COUNTY PUBLIC SCHOOLS WE RECYCLE

The Environmental Conservation and Utility Management Department and the School District wants to thank everyone for their efforts to promote **RECYCLING**. Having a successful **RECYCLING** program requires the efforts of everyone's at our sites, beginning with our administrators, custodial and cafeteria staffs, and most importantly our students. All will play a vital role in the success of the program, as each location will designate a team that will gather the **RECYCLABLE** materials from within the facility for placement into the **RECYCLING** dumpster. Our **RECYCLING** program works when we make it a normal part of our day, so please get involved and on board to **REDUCE, REUSE, AND RECYCLE** everyday.

Below are the **RECYCLABLE** materials that are currently permitted to be commingled into your **RECYCLING** bins:

#### Mixed paper products to include:

- Flattened corrugated cardboard
- Office, computer and copier paper
- Newspaper, magazines, catalogs, telephone
- Manila folders, envelopes and junk mail
- Print shop paper, note pads, etc.

#### Food and beverage containers to include:

- Aluminum cans
- Juice boxes, milk and juice cartons
- Glass bottles and jars
- Plastic bottles and jugs

**IMPORTANT: ONLY RECYCLABLE MATERIALS ARE TO BE PLACED IN THE COLLECTION DUMPSTERS. PLEASE: NO BLACK BAGS, REGULAR TRASH, LIQUIDS, OR FOOD PRODUCTS OF ANY KIND. ALL CARDBOARD BOXES NEED TO BE BROKEN DOWN TO CONSERVE SPACE, AND ALL FOOD CONTAINERS MUST BE CLEANED BEFORE BEING PLACED IN THE RECYCLING DUMPSTERS.**

We will always welcome your ideas and suggestions on improving the success of the program, including ideas pertaining to incentives and recognition programs. By working together to increase the **RECYCLING** volumes, we will significantly reduce the impact waste has on the environment, while reducing the School District's operating costs. Please don't hesitate to contact us at 754-321-4220 or via email at the [emshelpdesk@browardschools.com](mailto:emshelpdesk@browardschools.com) with any ideas, questions, or you need recycling supplies. **RECYCLING, IT'S THE RIGHT THING TO DO!**
