Hands-On STEAM Application of Computer Science

Lead Presenter: Rebecca Malones - @RebeccaMalones
Co-Presenter: Sheryl Arriola - @Gardenerdcodes

Create your own interactive board with Makey Makey and Scratch!

We have created simple Scratch activities that has some answers. Your job is to create the keyboard for this activity using Makey Makey and create an interactive board. On your interactive board you should have 3-4 questions that are answered by clicking your created keyboard.

For example:

1) What is a math teacher's favorite sum? Click the up arrow for the answer (Summer!)
