

## Second Semester Parent Questionnaire

The School Board of Broward County will continue to offer in-person and eLearning options for the second semester of the 2020/21 school year.

To plan appropriately, we need all parents and guardians of BCPS students to complete a short Parent Questionnaire for each student in your home indicating your learning and transportation preferences.

To access the questionnaire and properly record your response, please:

1. Use your student's SSO credentials to log into their personal Launchpad at <https://sso.browardschools.com>.
2. Check to make sure the student is logged into their Office account. Find the Office icon and establish the connection (note: login for Office is the same as SSO.)

3. Find and click on the survey icon by language preference as shown below:
