SUBJECT: **Online School Payments**

The Broward County School District has found faster and more efficient ways to accept payments from parents/students. Your child's school will begin accepting online payments for school sponsored activities such as Before and After School Child Care!!! (Please contact the school's Bookkeeper for the actual online payment acceptance start date.)

Users of the online system must have a *Student ID number available before you begin*. (All students have been issued a unique Student ID number. If this number is not available, please contact your school.)

To take advantage of the online payment option, please follow the instructions below:

A.) Access the estore website directly at **estore.browardschools.com** or

B.) Access your schools website

- 1) Click the online payment link on the schools website
- 2) At the District's Estore, select your school's level (Elementary, Middle, High)
- 3) Select your child's school
- 4) Select the activity that you want to pay online (If the activity does not appear here, payments must be made at the school)
- 5) Follow the Estore screen prompts
- 6) Your child receives credit for activity payment

The Broward School District has become more innovative and, we appreciate feedback received from parents and students regarding this online school payment initiative. You will find the online payment option safe, simple, and convenient.

If you have questions or comments regarding online payments, please contact Nell Johnson in the Internal Accounts Office at (754) 321-0589.
