

THE FALCON CONNECTION

Broward County Public Schools (BCPS) is bringing a referendum to voters on the August 28, 2018, primary ballot.

The Secure the Next Generation initiative would provide a ½ mill that will be used to secure school resource officers, high-quality teachers and staff, as well as secure important programs in District schools, and expand educational opportunities for our students. This referendum supports our continued commitment to secure a high-quality education and safe learning environment for our students, teachers and staff.

Message from Mr. Walker

As the principal of your school, Sunrise Middle, I am truly looking forward to collaborating with you to provide our students with an amazing middle school experience. This year will be jam packed with new and exciting opportunities for your children.

In order to provide students with opportunities to be successful, we provide a rigorous and relevant curriculum at all grade levels. Beginning this school year, Sunrise will be operating on a **Block Schedule**. This means that your child will have **four classes per day**, instead of six. It also means that your children will have less transitions, longer class periods, and more opportunities to take electives that may interest your child outside of the standard core curriculum. It is our goal and mission to

District's Nondiscrimination Policy 4001.1

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex, or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may call the Director, Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or Teletype Machine (TTY) 754-321-2158.

deliver this wide variety of opportunities in an environment that is aligned with our technology initiatives. This can only be accomplished if we work as a team and partner together to ensure that students attend school every day, they arrive on time and are prepared to learn. Please remember that there is a direct correlation between student attendance and student achievement.

Additionally, Sunrise Middle school is proud to be a uniform school. Please review our uniform policy, which is included in the student folder. As always, we will continue to enforce our dress code policy and students must adhere to such.

Excellence in student achievement is our overall educational goal, however, our number one priority is student safety. In an effort to ensure the safety of your children, some changes have been made to secure the perimeter of the school. First, we have a new welcome center in the front of the school. There are still some minor adjustments being made to the office, but as it nears completion, this will be our only entrance. In addition, the front gate will be manned by a campus monitor screening incoming visitors. In the event that a monitor is not present the front gate will be locked and you will need to call the front desk @ **754-322-4700** to have it opened. Second, all students, staff, and visitors are required to wear their school issued ID's. As a school safety team, consisting of Principal, Assistant Principal's, School Resource Officer Brown, Teachers, Students, and community members, we are asking all members to exercise patience and understanding as we work together to ensure the safety of your children.

I am truly proud to be the principal of Sunrise Middle School and I am always here if you need anything at all. Please sign up for twitter and follow us @SunriseFalcons and @PrinSunriseMidd to see interesting activities posted showcasing our amazing Sunrise Family.

Very truly yours,

Michael Walker
