

SUMMARY OF PROGRESS
ECONOMIC DEVELOPMENT & DIVERSITY COMPLIANCE DEPARTMENT
SUPPLIER DIVERSITY OUTREACH PROGRAM
REPORTING PERIOD: DECEMBER 29, 2022 - FEBRUARY 3, 2023

The Economic Development & Diversity Compliance Department (EDDC) oversees the District's Supplier Diversity Outreach Program (SDOP). It is governed by School Board of Broward County Policy 3330 - Supplier Diversity Outreach Program and related Standard Operating Procedures. Policy 3330 was adopted to remedy the ongoing effects of identified marketplace discrimination that continue to adversely affect the participation of Emerging/Small/Minority/Women Business Enterprises (E/S/M/WBE) in District procurement opportunities. As EDDC continues to serve as a conduit to ensure inclusive procurement activity, we are implementing additional activities to fortify the target market.

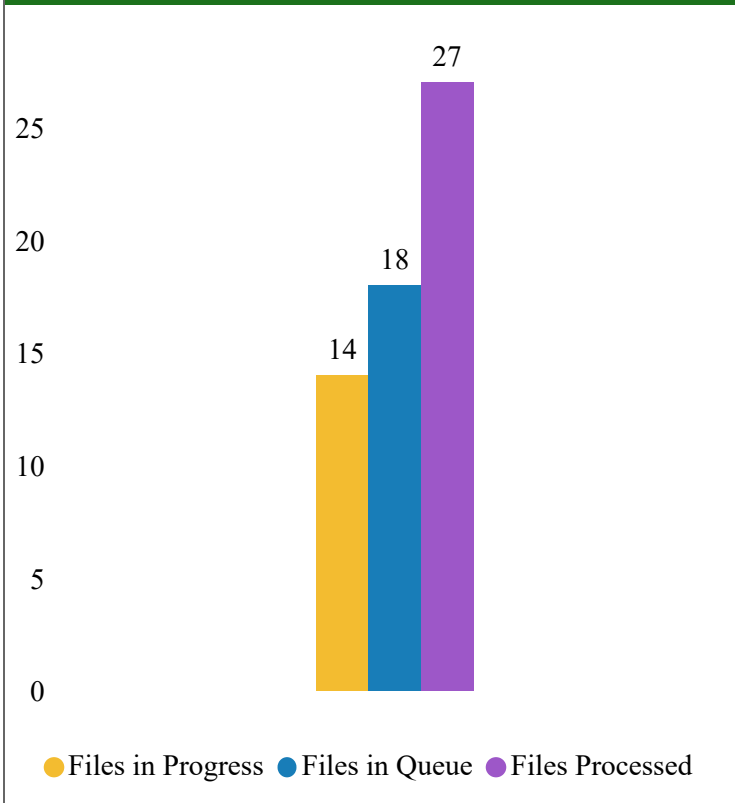

The summaries and illustrations below provide an update on the continual progress of SDOP for the December 29, 2022 - February 3, 2023 reporting period.

OUTREACH/MARKETING SECTION

o Bid Communication Process

Communication is fundamental to EDDC's objective to increase small business participation in District opportunities. Each thought component of the department's outreach strategy is intended to increase utilization and engagement across all commodities. Outlined below is the communication process deployed by the EDDC for the District's solicitations:

STEP 1: PWS to EDDC

Solicitations are prepared by Procurement & Warehousing Services (PWS) and given to EDDC to make recommendations to include SMWBE participation in contracts.

STEP 2: Certified Firms Identified

EDDC Certification identifies firms from the District's [Certified Supplier Directory](#) based on the scope and NAICS outlined in the solicitation¹.

STEP 3: Survey

EDDC Contact Compliance emails a potential opportunity survey to the firms to acquire their availability and willingness to provide the services/products requested. The relevant [Affirmative Procurement Initiative \(per Goal Setting Committee\)](#) is implemented based on the responses received by the firms. Note: EDDC does not answer any specific questions regarding the potential opportunity from the suppliers.

STEP 4: DemandStar Notification

The solicitation is posted in [Demandstar](#) by PWS. Firms with a membership receive an email notification from the system for the active bid opportunity, but all companies can view the [District Bid Opportunities](#) webpage for updates.

STEP 5: EDDC Bid Notifications

EDDC Marketing sends bid notifications within two business days of a bid posting using the following:

- **EMAILS**
 1. Certified Firms – Companies identified in our directory in the specified commodity area
 2. All Other Firms – Companies with an expired certification or have not been certified (these are generally the firms from our partner agencies); still, they can potentially provide the service/products requested. The email also includes certification information.
- **SOCIAL MEDIA**

EDDC also uses [Twitter](#), [Instagram](#), [LinkedIn](#), and [Facebook](#) to notify the community of bid opportunities. Each post includes the bid title and the link to BCPS solicitations. Community Partners assist by reposting the notifications to their respective pages.

STEP 5: Pre-Bid Meetings (and Site Visits)

When applicable, EDDC Marketing will include the specifics of the pre-bid meeting in the initial bid notification. A separate notice detailing the specifics of the pre-bid meetings is sent a few days prior and on the morning of the meeting via all social media platforms.

STEP 6: Reminder

Bid notification reminders are sent via email within the last week of the due date via email and social media.

¹ If less than two certified firms can provide the requested service/product, the team sources certified vendors from the following partner agencies' directories: Broward County, Miami Dade County, Miami Dade County Public Schools, Palm Beach County, and School District of Palm Beach County to allocate potential suppliers. EDDC provides a tri-county reciprocal certification for these agencies' SBE, MBE, and WBE certifications. The certification team expedites applications for the firms working to submit a bid.
