Shout out to Mrs. Laurent and Mr. Gray who kicked off the new school year with a warm and welcoming staff breakfast at Another Broken Egg. But this was just the start of a week full of exciting events including Olympic games and it wouldn't be a real "Welcome Back" without Mrs. Butler and Mrs. Anderson with the vibes but more importantly the great food! Helping both new and returning staff members bond. The week was filled with smiles and plenty of picture-perfect moments and collaboration, setting a positive tone for the exciting year ahead!

FIRST WEEK, WE MADE IT!

Hey, Hey, Hey! Let's welcome our new LJEC teammates Mr. Robinson our new support facilitator and Mr. Walker our new media clerk who have both jumped right in and became part of our family.

Welcome back to Mrs. Reyes, she was gone for too long but we've finally got her back and she works her magic behind the scenes.
