What's Happening in...

Phonics: Phonemic Awareness

Students are working on blending sounds, syllables, and CVC (consonant-vowel-consonant) words. The students are continuing to work on rhyming words and will begin having spelling words using the word families.

Reading & Content: Animals

Students will identify characters, settings, and major events in a story. They will continue to work on remembering key details and sequence of events. Please reinforce these skills while reading with your child at home daily.

During this month, students will be learning about arctic animals, their needs, and how they grow and change. They will describe animals, how they are alike and how they are different in the way they look and in the things they do.

Math: Chapters 7 Represent, Count, Read, and Write 11-19

In chapters 7, students will represent quantities with numbers up to 19, verbally, in writing, and with manipulatives. They will compare numbers and know the counting sequence.

Welcome back to school. Hope everyone had a Wonderful Winter Break. We are looking forward to the rest of the school year. Students will begin taking home Agenda Books on Mondays. Please continue to practice sight words, use the I-Ready program daily and work on the Reading Across Broward List.

Upcoming Events
