INSIDE THIS MONTH'S NEWS

January 2019

P.E. News **Important Dates:** **Field Day 2018**

Happy New Year!!
I hope everyone enjoyed this year's field day activities. We are rescheduling fifth grade and will have a date as soon as the court construction is complete.

Art News from Ms. Sabdul

Happy New Year!
For the third quarter, each grade level will learn about a famous artist. They will get to know the artist's style and how the artist organizes their work. Finally, they will produce art work, in the style of the artist they are studying.

Music News from Ms. Valdes:

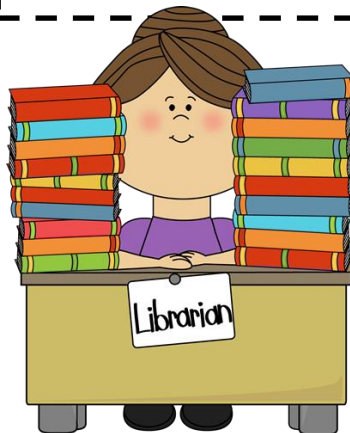

Happy 2019! Welcome back to all our budding musicians! K and 1 will be learning about meters of 2, 3 and 4. First grade will be learning about melodic direction and writing their own songs. Second grade will be discovering the Baroque period and keeping a journal about its great composer, Bach. Third grade will continue to practice and test for recorders, but we will also be learning about the Classical period in music. Fourth and Fifth grades will continue to finish their Rap projects and perform them and will begin ukuleles and guitars soon after. This month Third grade chorus joins the CPE singers starting Thursday, January 17. We will also begin to prepare for our multi-cultural program in late February-early March.

Media News from Mrs. Llorens

Happy New Year and welcome back!

We are already into the third quarter and we have a few reminders for the end of the year: The last day to earn Accelerated Reader points is May 10th. All trophies will be presented at the end of year awards assemblies. Students should be logging the books they are reading in Beanstack, which is located on their SSO launchpad, as well as their Reading Across Broward Form. Students in grades K-2 are to read 100 picture books and students in grades 3-5 are to read 50 chapter books in order to receive the superintendent award. These forms are due to Mrs. Llorens by April 1st 2019. Our spring book fair is a dinosaur theme and all the details will be in our next newsletter so stay tuned!

Reminder:

Log all the books you read on your Reading Across Broward form in the front of your agenda. Not only can you log books that you read, you can also log books that are read to you in class, at home or even audio books.

Grades K-2 -100 Pictures Books
Grades 3-5 - 50 chapter Books
(Make sure you take an AR quiz too!)
