

3rd Grade Summer Newsletter

Read, Read, Read! Keep track of the books your child reads this summer to put on the Reading Across Broward form and to take AR tests next year. Have them keep a journal and write about a story they read, places you visit, what they did during the day or what movie they watch. Have them retell what happened in a story including main ideas, details about characters, settings and events.

In math, have your child practice multiplication and division facts to prepare for 4th grade.
