11:00 - 12:00
- 08/14 - **First Day of School**
- 09/11 - **Open House**

Note from 4th Grade Teachers

Dear Parents,

It is hard to believe that the school year has ended. Time went fast and your children have worked hard in all subjects, projects, homework, and classwork. We are extremely proud of them and would like to thank you for your support and hard work with them in helping them reach their potential, we could not have been able to do it without you. It has been a pleasure having your children in our classes and we look forward to seeing them around school next year! Have a wonderful summer break 😊

Fourth Grade Tips for Success

- Children should continue reading AR chapter books.
- Children need to practice their math skills, with an emphasis on Multiplication.
- Children should journal to continue practicing writing.
- Children should explore Science and work on simple homemade experiments - (identifying the process).

Home Connection

Parent as part of our team, we need you to continue to:

- Have fun with them during the summer!
- Share quality time reading a book in the park, going to Barnes & Noble, or simply having a reading night with them.
- Encouraging them to practice iReady weekly on both (Math and Reading). It will be available through July.

Don't cry because it's over.

Smile because it happened.

Dr. Seuss
