2019

Dear Parents,

Can you believe the school year is coming to an end? Wow! Where did the time go? Well, our awesome 5th graders have worked really hard this year and will now take the FSA in ELA, Math and Science. They will also take additional assessments this month in reading and math, which will be used as another criteria for promotion. We would like you to know that this school year would not have been possible without you. Therefore, we like to thank you for all your support and tireless efforts in working with your child to make this year a success! We are extremely proud of our 5th graders for exhibiting the perseverance that have brought them this far!

5th Grade News

ELA

This month, we will continue to cover the Florida Standards in reading and language arts through the use of Scholastic Magazines and Newsela Articles. The 5th graders will also take the iReady Diagnostic 3, as well as other end-of-year assessments that will be used as another criteria for promotion.
