STOMP, CHOMP & READ!

Art News from Ms. Sabdul

Happy MAY from the art room!

For the fourth quarter, most grade levels will be focusing on *Perspective*. Kindergarten and first grade will create landscapes with foreground, middle ground and backgrounds. Second and third grade will change two-dimensional shapes into three-dimensional shapes. Fourth and fifth graders will design and create the Willy Wonka set!

Music News from Ms. Valdes:

This month we have been learning guitar in fourth and fifth grade and we have been discovering the Romantic period in music. Younger grades have been working on instrument families and our second graders are learning recorders for the first time. I welcome all of you to attend our **Willy Wonka** Junior production on **Wednesday, May 15 at 5:30 PM** and the **2019 Spring concert** which will include Willy Wonka Junior as well on **Thursday, May 16 at 6:30 PM**. It has been an amazing year. I will miss my fifth graders dearly. They were quite the special bunch!
