

Sunshine is a family operated not-for-profit childcare provider that has been providing superior school-age childcare programs in Broward County since 1992. All of our programs are licensed and insured, and operate under the policies and directives of the Division of Children & Family Services and the Broward County School Board.

The goal of our After Care Program is to serve the community by offering a high quality after school child care program of developmentally appropriate activities in a wholesome and safe environment.

The program promotes the physical, intellectual, emotional, and social development of each child. We encourage our students to become life-long learners and foster partnerships with parents, students, staff, and the community.

Our After Care Program provides professional care, supervision, recreational, and educational activities. This program allows children to experience activities within an environment planned to compliment the philosophy and value system of the school and family. We strive to provide individual attention, security, consistency, and fair treatment form children and working parents.

We work together to help each child grow in maturity and self-respect and understanding for others is realized. We also understand that children need fun-filled activities as well as educational ones.

Safety is Sunshine's #1 Priority

Since 1992, Sunshine Child Programs has passed all HRS inspections, and makes sure to always follow all guidelines with staff screenings, and does not start any employee until they are cleared by all background screenings through the State of Florida & Broward County.

Sunshine values the safety process and recognizes the importance of this as part of the safety for all of our children. We value highly all licensing inspections, and are proud to say that we have passed with 100% safety rating with all of our school and city locations, year after year.

Sunshine is on campus for Child Care Services from dismissal time to 6:00 p.m. including Early Release Days.

Sunshine offers services on Teacher Planning Days, Winter, Spring and Summer break.
