

January 18<sup>th</sup> , 2019

January

The word 'January' is rendered in a bold, purple, rounded font. Each letter is topped with a white, bubbly splash that has a light blue outline. The entire word is surrounded by numerous small, light blue circles representing bubbles. The bottom of the letters is also decorated with light blue wavy lines, suggesting water splashing. The background is white, and the bottom of the slide features a decorative geometric pattern of orange, teal, and blue shapes.
