

## How to Receive Up-To-Date Information on Canvas.

### Canvas Parent App

Parents can review upcoming or past assignments, check on grades, and receive course announcements.

For more information on the Canvas Parent App follow the link below.

### Notifications – Without Canvas Parent App

You must first edit how you would like to receive those notifications, e-mail or text message. You can save as many phone numbers and e-mails as necessary.

To edit the contact method follow the link below. Be sure to still include student contact information as well.

[Edit Contact Information](#)

Once you have edited how you would like to be contacted, now you can edit the type of notifications you would like to receive. There are a few options to choose from. Any options you change will effect ALL classes using Canvas.

To edit the type notifications you will receive follow the link below.
